

The Johansson - Plan 8104

This rustic duplex design features a cedar shake and board-and-batten façade complemented by stone and decorative gable trusses. Each unit enjoys a two-car garage and a spacious rear porch with skylights. The mirrored floor plans consist of an elegant master suite separated from two additional bedrooms. A cathedral ceiling spans the island kitchen and great room, and a large dining room and pantry are nearby. Upstairs, an optional bonus room welcomes expansion.
